

## 2009 Wetlander's Festival Geocaching Contest

“Geocaching is an entertaining adventure game for gps users. Participating in a cache hunt is a good way to take advantage of the wonderful features and capability of a gps unit. The basic idea is to have individuals and organizations set up caches all over the world and share the locations of these caches on the internet. GPS users can then use the location coordinates to find the caches.” For more information about geocaching visit [www.geocaching.com](http://www.geocaching.com)

Participants in the 2009 Wetlanders Festival have a great opportunity to put their geocaching skills to use by entering a Geocaching Contest. Below, you will find GPS coordinates for various Main Street businesses. Your job is to identify which businesses these coordinates belong to. Once you have located the business, simply write the business name on your entry form. Once you have identified all the businesses, you must submit your completed form at the **Hoisington Main Street Office**, 115 N Main. Completed entry forms will be placed into a drawing for prizes. **To be eligible for prizes, entries must be received on or before Monday, April 27, 2009.**
